DECLARATION

We, **Advantech Czech s.r.o.**, as the manufacturer, hereby declare under our sole responsibility that the above-identified products are in conformity with the relevant Union harmonisation legislation:

- **Directive 2012/19/UE** on Waste Electrical and Electronic Equipment (WEEE).

BASIS OF CONFORMITY

This declaration is based on the conformity of the products with the requirements of the WEEE Directive. This includes:

- **Product Design:** Our products are designed to facilitate separate collection, re-use, and environmentally sound treatment at their end-of-life.
- **Product Marking:** All products falling under the scope of the WEEE Directive are marked with the mandatory "crossed-out wheeled bin" symbol in accordance with Annex IX of the directive and the standard **EN 50419:2022**.

CONFORMITY ASSURANCE

Advantech Czech s.r.o. ensures compliance with its producer responsibilities under the WEEE Directive through the following measures:

- **Producer Registration:** We are registered as a producer of Electrical and Electronic Equipment in all relevant EU member states where we place products on the market.
- **Financing and Collection:** We fulfill our financial obligations for the collection, treatment, recovery, and environmentally sound disposal of WEEE, typically through membership in national collective compliance schemes.
- **Information for Users and Treatment Facilities:** We provide necessary information to end-users regarding the requirement for separate collection of WEEE and provide information to treatment facilities as required by the directive.

AUTHORIZED REPRESENTATIVE

This declaration is issued under the sole responsibility of the manufacturer.
