## PRODUCT CHANGE NOTIFICATION

# European Power Supply Changed

### Product Identification

#### List of all Affected Products:

- SmartFlex (**SR303**, **SR306** and **SR307**) routers with European accessories.
- SmartMotion (**ST352** and **ST355**) routers with European accessories.
- **BB-RPS-v3-MO2-EU** - spare power supply accessory with European socket.

### Change Description

**Detailed Description of the Change:** The original power supply with a fixed EU plug has been replaced by a power supply with replaceable EU plug, see the figure below.

Figure 1: The Original and New One Power Supplies

**Anticipated impact on Fit, Form and Function:** Since the effective date, another type of European power supply will be equipped with the affected products. The new power supply has identical electric parameters as the original one (12V/1A), and it has a better efficiency level (ErP), which is VI. This power supply differs in the dimensions and is equipped with a replaceable European socket.
