meets the requirements of the **Directive 2012/19/EU** on the Waste from Electrical and Electronic Equipment (WEEE). This means that all mentioned products, which must be recycled or handled separately, are marked with the WEEE label in accordance with **Directive 2012/19/EU** Waste from Electrical and Electronic Equipment (formerly Directive 2002/96/EC).

In addition, we accept scrapped equipment from customers and sort it for waste disposal. Used equipment returned to our company for service may also be scrapped in accordance with the Directive. However, it is not legal to ship waste products across country borders for disposal.

This Declaration of Conformity is issued under the sole responsibility of the manufacturer, pursuant to **ISO/IEC 17050**. It does not affect the warranty obligations of the supplier. We reserve the right to exceed the standards as part of our product development program.
